Tutorial:

It's a huge fish. I'll catch this one.
Oh wow, it's very simple.
It's too far, I can't see.
Very nice.

Level 1:

So I need to catch 15.
I see a huge fish over here.
I' not moving (stuck in the river
Haha I just discovered a bug.

REDO Level 1 (cause the bug):

Yeah so I have to reach the score.
Okay very well (reach the score 15

Level 2:

It's very nice.
Where are the fishes?
I can't see.
Small one, fine.
I have to win.
Oh I fall...
Oh no I failed.

REDO level 2:

Okay I just saw the fish over there.
Where is the fish?
Oh I see (the shadow
Okay now it is a bit difficult.
I'm gonna fail again.
It's getting better.

REDO level 2:

Yes. (catch a medium fish

Oh no (the fish is nearby but not coming

Come, nice (catch the fish which ignores the hook before

Good (reach 10 score

level 3:

I see, one minute.

Oh I see, so it's like very difficult to see the fish

Oh no, hello, come come.

Yes, done!

I think it's pretty impressive and fun.

The thing is I can't see or adjust the distance.

So it's kinda difficult to start...
