

## **Interviewee:**

Shine Wang, male, age 20, does not play games

(Shine has seen me work on this game a bit so he already knew a few things beforehand)

## **Main Menu:**

He pressed the instructions button first and read the instructions

Liked the highlight of buttons

## **Tutorial:**

The whole tutorial was broken, it was really weird. See video. I tried resetting but it was still kind of broken

## **Level 1:**

Only just scraped by level one

## **Level 2:**

was a bit shocked that you could fall off

Beat it on first go

## **Level 3:**

Enjoyed this level and kept going back to beat his high score. He replayed it like 5 times :)  
beat it on first go

## **Notes:**

- He suggests making the levels gradually increase in difficulty instead of being a constant difficulty
